**Sub: Submission of Summary of the Feedback taken on Syllabi from Students and Teachers for the Session 2022-2023**

Respected Sir,

This is to bring to your kind attention that Darjeeling Government College has taken feedback from the students and Teachers for the Session 2021-2022 and Session 2022-2023. In regards to this feedback submitted to the College, herein is attached the outline of the summary of the feedback received, for your kind consideration and necessary action.

The feedback from the students has a satisfactory and positive response to the syllabi and allied issues, albeit there is scope for modifications for its wider applicability. The introduction of career-oriented courses and skill development courses for wider job opportunities will be welcomed by the students.

The teacher's feedback also had a positive response to the syllabus and expressed their satisfaction. The syllabus can impart subject-specific information to the students and help them to go for their higher studies. However, the introduction of the skill and job-oriented courses is the need of the hour, as felt by the teachers.

As the Affiliating University, I anticipate your kind and considerate attention toward the findings observed in the responses mentioned above, and seek your humble concern by doing the needful.

Thanking You.  
With regards,

Officer-in-Charge  
Darjeeling Government College

### *Based on the Feedback Report from The Students and the Teachers* (2022-2023)

After analyzing the feedback reports from the students and the teachers, the following action was taken by the College.

1. Most of the students were satisfied with the completion of the syllabus and the study environment, yet the heads of departments were advised to look into the day-to-day activities of the departments to help the students fare better.
2. The need for smart classrooms is felt by both the teachers and students. In this regard, the College Infrastructure Committee has already prepared a list of infrastructure submitted by the departments to the College authority for further action.
3. The problem of hygiene in the College has been a long-standing problem. The College has only two sweepers (out of 7 posts) who are unable to keep the huge area of the College clean. The maintenance of hygiene in the washroom is the responsibility of the user and the cleaner. Hence the Student Health and Hygiene Committee was asked to raise awareness about their responsibility to the students regularly.
4. One of the factors resulting in the sanitation problem was the water connection. The College Authority has installed new connections to solve this problem to some extent and is expected to get more connections shortly.
5. For the most important problem of drinking water facilities, the College has received 3 water purifiers from the Department with water connection in the coming year of 2024. It is expected to provide drinking water to almost 80 percent of the students and the teachers.
6. To encourage the students into extracurricular activities, the College Sports Committee is asked to keep a regular awareness program and display information on the College Notice board to encourage participation in the overall development of the students.
7. The space crunch for the teachers in the canteen has been spoken to the Canteen.
8. The College authority has asked College Placement cells to be more active and help students in their career advancement.

**Sub: Submission of Summary of the Feedback taken on Syllabi from Students and Teachers for the Session 2022-2023**

Respected Sir,

This is to bring to your kind attention that Darjeeling Government College has taken feedback from the students and Teachers for the Session 2021-2022 and Session 2022-2023. In regards to this feedback submitted to the College, herein is attached the outline of the summary of the feedback received, for your kind consideration and necessary action.

The feedback from the students has a satisfactory and positive response to the syllabi and allied issues, albeit there is scope for modifications for its wider applicability. The introduction of career-oriented courses and skill development courses for wider job opportunities will be welcomed by the students.

The teacher's feedback also had a positive response to the syllabus and expressed their satisfaction. The syllabus can impart subject-specific information to the students and help them to go for their higher studies. However, the introduction of the skill and job-oriented courses is the need of the hour, as felt by the teachers.

As the Affiliating University, I anticipate your kind and considerate attention toward the findings observed in the responses mentioned above, and seek your humble concern by doing the needful.

Thanking You,  
With regards,

Officer-in-Charge

## ACTION TAKEN REPORT

### Based on the Feedback Report from The Students and the Teachers (2021-2022)

After analysing the feedback reports from the students and the teachers, the following action was taken by the College.

1. The feedback was that most of the students were satisfied with the completion of the syllabus and the study environment.
2. The need for smart classrooms is felt by both the teachers and students. In this regard, the officer-in-charge asked the departments to prepare a list of infrastructure needed by the departments to the College Infrastructure Committee College.
3. The space crunch for the teachers in the canteen has been spoken to the Canteen.
4. To encourage the students into extracurricular activities, the College Sports Committee is asked to keep a regular awareness program and display information on the College Notice board to encourage participation in the overall development of the students.
5. As a part of sanitary health of the female students under the able guidance of Officer-In-Charge of DGC, Dr. Prajjwal Chandra Lama, Dr. Subrata Kar (Head, Department of Commerce), Dr. Prabir Sen (Head, Department of Chemistry), Prof. Sheela Karjee (Department of Economics) and Prof. Priyanka Saha (Department of Zoology) joined hands to start this initiative of installing sanitary napkin vending machine and incinerator in the College as a part of menstrual health of the female students and teachers. It must be mentioned here that the machines were not funded by the Government, but rather by the voluntary contribution of the teaching faculties of the College.
6. Among the facilities provided to the students, Darjeeling Government College came up with the initiative of providing a "Medical Assistance Room" for the students during medical emergencies equipped with first-aid facilities (wound cleaning solution, cotton, bandage, band-aid, gauze, spirit, red-lotion, hand gloves, masks, towels, painkillers, thermometer) and blood pressure-measuring machine starting November 2023.
